Ideally located in the heart of one of Monaco's most sought-after districts, just a few steps from the Casino and its luxury boutiques, this apartment offers a rare and privileged living environment.

Listed as a **three-room apartment**, it is now converted into **two rooms**, favouring volumes and light. It is distinguished above all by an **absolutely spectacular view** : an open panorama of the port and the Rock of Monaco, offering an emblematic and lively setting throughout the year.

During the legendary **Formula 1 Grand Prix**, the apartment benefits from an exceptional view of the event, making this property a unique opportunity for motorsport and prestige enthusiasts.

Located in an **old building of character**, it is part of an authentic and sought-after environment, in the heart of the Monegasque animation, while remaining in the immediate vicinity of amenities, restaurants and high-end shops.

The apartment is **currently rented** out, which also makes it an interesting **investment opportunity** in an area where rental demand is strong and constant.

A rare property, combining **an exceptional location, an iconic view and heritage potential**, to be discovered without delay.
